Dear Sir,

with due respect, trust and humility, I write to you this proposal which I believe would be of great interest to you. My message could be strange but real if you pay attention to it. I find your contact while I was doing a private research on the Internet for a reliable and capable foreign partner. I am writing to you on behalf of MOKABA'S family to enquire if you can assist my humble family undertakes some capital investment in your country.

I am Mr. Paul Mokaba, the eldest son of Late Mr. Larry Mokaba, who was the chairman of the Farmer's co-operation in Zimbabwe. My Father was among the few black farmers that were murdered in cold blood by President Robert Mugabe Administration during the land dispute that just happened in Zimbabwe.

Prior to my father's untimely death, he had seen the rising hostilities of President Robert Mugabe's government in my country Zimbabwe. It may interest you to know that during my Father's regime as the Chairman of the farmer's co-operation; he realized some reasonable amount of money from various deals that he successfully executed. As a result of his death and uncontrollable crisis in my Zimbabwe, I together with my family members decided to seek asylum in South Africa where my Father had deposited \$25,000,000.00 (Twenty-Five Million Dollars).

This money was meant for the purchase of new machines and chemicals for the farms and establishment of new farms in Swaziland. We now want to use this money for investment in your country since we do not have anybody to assist us. Following the above, I am asking for your urgent assistance to transfer this money out of South Africa using very confidential and reliable means.

However, this money was safely kept in a Security Company here in Johannesburg-South Africa before his death under disguise as precious items and nobody has any slight knowledge of what is inside the box deposited with the Security Company. In other words, there is no risk involved and so do not hesitate to ask questions where necessary. All the documents covering the deposition of the money with the Security Company are intact with me.

If you consider yourself honest, trustworthy and willing to assist us, please respond by this email address ([mrpaulmokaba@gmail.com](mailto:mrpaulmokaba@gmail.com)) to enable me provide you with detailed information on how the transfer of this fund can be made to your account upon acceptance. My family members have agreed to offer you 30% of the total amount for the assistance and efforts you are going to put for the smooth and successfully transfer of the fund.

I look forward hearing from you upon receipt of this mail.

Best regard.

Mr. Paul Mokaba  
(For and On behalf of my family)
