

Dear Beneficiary,
Compliments of the season
YOUR ATM VISA CARD IS READY

We bring to your notice the arrest of some fraudsters (NIGERIANS) who have been defrauding people with the intention of giving them loans, fake lottery winning, investment proposal, etc. We arrested them due to the report we received from different people from Africa, Europe, Asia and America.

We sized their properties and sold them and the government of Nigeria said we should compensate reachable victims with the money raised from their sized properties and also the money we recovered from their bank accounts.

I have mapped out \$1,000,000.00 (One Million United States Dollars) loaded on your international ATM visa card for your compensation. I have been waiting for you since last year to contact me regarding the delivery of your ATM card to you.

I did not hear from you since that time. Then i went and deposited the package ATM CARD with Express Courier company, Johannesburg South Africa as i travelled out of the country for a short Course and i will not come back till end of first quarter of the year 2013. What you have to do now is to contact the Express Courier Security company as soon as possible to know when they will deliver your package to you because of the expiring date.

For your information, i have paid for the Clearance Certificate Fee neither of the ATM CARD showing that it is not a drug Money nor to sponsor Terrorist attack in your Country. The only money you will pay to the Courier Company to deliver your ATM CARD direct to your postal Address in your country is (\$185) only being their Security Keeping Fees of the Courier Company so far.

Again, don't be deceive by anybody to pay any other money except \$185 United States i would have paid that but they said no, because they don't know when you will contact them and in case of demurrage.
